

## CONCHINILIA JOURNEY II

**Endeavour and Discovery. A Voyage into the  
Intriguing World of the Shell House and  
Grotto.**

**Gerald and Margaret Hull**

Blott Kerr-Wilson: "What a unique and incredible journey of shell passion the authors have undertaken - long overdue. Thank you for acknowledging this underestimated art and putting it out into the world with this book. Hopefully it will encourage new shell houses and grottoes to be created".

Linda Fenwick: "How exciting! Can't wait to see this..A beautifully composed and long awaited book for all shell enthusiasts."

The late Diana Reynell: "such a great conception to pursue!"

Ruth Mannion-Daniels: "Well done to both of you. I shall rejoice... your lectures have been so intriguing and this will be really satisfying."

David and Caroline James, *Olicana Mosaics* "A wonderful addition to the bookshelves... interesting and informative in equal measure."

The Hon. Rory Guinness. " It has been a joy working with Margaret and Gerald to uncover the sleeping beauties of the grottoes at Wilbury."
